

### Providing Better Water For Better Living.

Savana Water Treatment, Inc. the leaders in supplying water treatment & filtration turn-key projects is now offering a new line of stainless steel tanks for the water treatment industry. Some of the benefits that polished stainless steel tanks offer are:

- Resistant to Ultraviolet Rays
- More Durable than fiberglass, ABS, or poly tanks
- Adds no Taste or Odor to the water
- Clean look
- Ideal for Hot Water applications
- Long Life (will not rust)
